

**Autism Diagnostic Observation Schedule, Second Edition (ADOS-2) Clinical Workshop**

**Trainer: Rachel Hundley, Ph.D.**

Please join us for this exciting and informative 2 day clinical workshop!

**July 11 and 12, 2019  
St. Vincent Manor – Auditorium\*  
3700 Washington Avenue  
Evansville, IN 47714  
Workshop Both Days: 8:30 am – 4:00 pm CDT**

During this two-day clinical training, the ADOS-2 will be presented. In addition to seminar, examples from video, and time for discussion, Dr. Hundley will administer the ADOS to two children with autism spectrum disorder (ASD). Workshop participants will observe the administration and begin learning to make the behavioral codes.

- Day one will focus on Modules 3-4, which are appropriate for children, adolescents, and adults who have ASD and fluent speech.
- Day two focuses on Modules 1-2, which are used with children who have ASD and are nonverbal up to those who speak in phrases.

An overview of the toddler module will be provided. The training will also include information on ADOS psychometrics and writing up the ADOS in reports.
